

E-Z Sign Up

There is no deposit required when you sign up for E-Z Power, which means every dollar that you spend goes to providing you the energy you need.

Use Existing Deposits

E-Z Power offers immediate value for existing members who have paid deposits. Now, you can use your existing deposit for energy.

No Late Fees, Trip Charges, or Reconnect Fees

Once you sign up for E-Z Power, say goodbye to late fees, trip charges, and reconnect fees!!! Since E-Z Power members use our residential pre-pay rate, they never receive bills, so they never pay late. They pay for energy when they need energy.

EZ POWER

EASY TO PAY. EASY TO MANAGE.

- No deposit
- No late fees, trip charges, or reconnect fees
- No cost to switch
- Use existing deposits for down payments when converting
- Delinquent balances can be moved into prepay arrangement
- View usage, payment history, and credit balances online through Smart Hub
- Low-balance alerts

E-Z Power, our prepaid energy management solution, can help power your home and your finances! With E-Z Power, you have convenient 24/7 access to our online payment system, and the information you need to help manage your energy usage.

**E-Z Power is most valuable when paired with Smarthub, our online tool that allows you to pay your bill, and check your daily energy usage.*

“We Are Putting the Power in Your Hands”

With SmartHub you can:

- Check your usage
- Contact our office
- Pay your bill
- Check our news feed
- Access custom widgets
